## Wonderful Winter & A Stupendous Start to Spring for NCWFA Whippets!

Carson & Dallas (Erynn Lucas) were hunting dawgs this winter and placed in several whippet breed hunts open field coursing. Feral Puppy, AKA Henley (Erynn Lucas) picked up two more points in December!

Nutty Redhead Pandora (Debby Knutson) was awarded her DCAT title in December!

We have a new show Champion around here! Jet (Dori Stewart) finished his championship in February! Versatile Jet has had a good spring, getting another 2 ARX points at the February race meet, bringing him up to 7 points! And 2 more AKC lure coursing points in March, for a total of 9 at our deadline. He also got his Rat I title in his "spare time".

Speaking of Therapy whippets, the NCWFA has two "Willow Award" nominees this year! The Willow Award is a National honor for the Therapy Whippet of the year. Carson (Erynn Lucas) & Patch (Ed & MJ Odron) will be vying for this award at the AWC National Specialty in April.

Miss Bitsy (Jean Balint) was awarded three more ARX points at the February RCRA meet, bringing her total to 10. So close to that ARXI!

Bitsy's sister, Skylar (Kim Robinson & Rick Ragan) was awarded BOS in Meet at the RCRA event in February! Go Sky-Doodle!

Audrey Boyer and her whippet boys are burning it up at the shows! The Audrey/Disco Team has been awarded several more Reserve Best Junior in Show & are currently the # 4 Junior Whippet Team! Not to be outdone, the Audrey/Major Show Team was awarded a Group III at the NCWFA Supported Entry in Stockton & also several Owner-Handler group placements, including two OH RBIS! ## General Membership Meeting,

12/29/18

Fairfield, CA

Members Present: Jean Balint, Guin Borstel, Audrey Boyer, Becky Couiter, Charlotte Fielder, Martha Fielder, Jen Haas, Sarah Herrick, Debby Knutson, Rick Knutson, Marianne Lu, Erynn Lucas, Andrea Meyer, Julie Nunes, Rick Ragan, Che Rivera, Kim Robinson, Ed Winters, Donna Wilhoite, Todd Wilhoite

Guests Present: Carl Lucas, Steve Nunes.

The meeting was called to order at 2 PM by President Debby Knutson.

There was a motion made by Todd & seconded by Jen to accept the minutes of the last three meetings as published in SPEED.

### Officer's Reports

President's Report: Debby thanked all for coming to the party & wished good health and happiness for 2019 to all!

Treasurer's Report: Guin reported on behalf of Delia that the combined bank balances are a hair over \$21,000.

### Committee Reports

Coursing: Jen reported that we held a good event in November at Solano College that was well attended. She is looking at a new field in Fairfield (Golden West School). Kim is working on seeing if we can use it, because of her ties to the Solano School District.

Membership: Guin presented the Associate applicants Ryan McAndrew and Olivia Skance, who both completed their meeting requirement in October. Both were voted into membership.

Racing: Jean celebrated the fact that January 3<sup>rd</sup> will mark her 50-year-anniversary in whippets. She acknowledged the racing dream team of our regular CWA meet workers as the Best Race Team ever! Jean reminded all of the RCRA CWA meets at the end of February, as well as of our own meets in June and September. Of course our September meets are the 2019 CWA National. This is a huge honor for our Club and we need everyone to help with this event to make it the smashing success we know it will be.

Rescue: Guin reported that there is currently a young red brindle and white male whippet at Yuba County Animal Services. Ahren Bass has been to the shelter to verify that he is a nice, show type whippet and has signed up to "adopt" the dog if his owner's do not pick him up by the end of his stray hold. Debby reminded all that she has coats available for any rescue foster dogs that might need them.

Speed: Guin reported that Debby has reserved the next

cover, with Charlotte having the one after that. Todd & Donna reserved the Fall cover.

Whippetbilia: Marianne reported that she will need to make a supplemental order of the new designs before the CWA National, as we should be sold through some sizes by then. Marianne is working with Zookeepin' Decals by Liz Campbell for some CWA National & Club logo decals to be for sale by the Fall.

Fast CAT: Guin reported that we had an exceptional turn out for our November events, especially since the air quality was very poor, due to the Camp Fire and there were quite a few cancellations immediately before the event on 11/22. She would like to schedule the next event for March 2<sup>nd</sup>, 2019.

Old Business: There was a motion by Guin & a second by Che to elect the 2019 Officer's Slate as printed in the Fall issue of SPEED. The slate was elected unanimously. Jean asked if we could schedule race practices for the following dates: Saturday January 26th, Sunday February 10th.

New Business: The next NCWFA will be Saturday, January 26th after race practice, at the Pizza place (Cenario's) with lunch.

A motion to adjourn was made by Erynn & seconded by Andrea at 2:48PM.

## General Membership Meeting,

1/26/19

Fairfield, CA

Members Present: Jean Balint, Valerie Barnard, Guin Borstel, Audrey Boyer, Alice Dominguez, Phil Dominguez, Charlotte Fielder, Jen Haas, Debby Knutson, Marianne Lu, Erynn Lucas, Bonnie Moore, Julie Nunes, Ed Odron, MJ Odron, Rick Ragan, Che Rivera, Kim Robinson, Rahoul Seth, Tara Seth, Todd Wilhoite.

Guests Present: Pearl Barnard, Candy Gaiser, Steve Nunes.

The meeting was called to order by President Debby Knutson at 3:40 PM.

### Officer's Reports

President's Report: Debby passed around a flyer for a Dr. Carmen Battaglia seminar, put on by the Nor Cal Doxie Club on June 22-23, 2019, if anyone was interested in attending.

### Committee Reports

Coursing: Jen reported that she and Kim are still working on contact for the Fairfield school field. Oakley is not really an option anymore, due to multiple conflicts with other groups using the field.

Membership: Guin reminded all members to pay their

dues.

Racing: Jean reported that the practice we just completed was very chaotic and this can never happen again. There were individuals changing the race board, which is a huge no-no. Jean will strictly enforce a cut off day of the previous Wednesday for taking entries, as all the last minute entrants make it very difficult to set the board. Debby thanked Jean for being in charge of these practices, which are for the benefit of all & empowered her to not take late entries and to expel people from practice if they change the race board. Jean thanked Bonnie for making the wonderful (and much needed) new race board. Kim mentioned that we need to have a handler's meeting, even at practices, in order to set the tone and ground rules for the day.

Rescue: Guin reported that the dog at Yuba County Animal Services was adopted by a WRAP applicant from Sacramento, direct from the shelter, who was not interested in working with Rescue. She thanked Ahren Bass for all her work on trying to adopt this dog for NCWFA Rescue.

Whippetbilia: Marianne asked the membership present if she could re-order the "It's a Whippet" tees in several key sizes. This did not require a vote.

Fast CAT: Guin reported that the 65 dog limit for each of our two tests, scheduled for 3/2, has almost been reached.

Old Business: Jean reported on plans for the CWA National in September, which are well underway. We are hoping to have catered meals on site for Friday night, Saturday night and also breakfast & lunch on Saturday & Sunday. Ed is working on getting special room rates at two of the local motels for the meet. Guin showed the three potential logo designs and reported that the Board will choose a winner soon.

New Business: The next NCWFA meeting is scheduled for the SCVKC show in Vallejo on Saturday, February 16<sup>th</sup>.

The meeting was adjourned at 4:31PM.

## General Membership Meeting,

2/17/19

Vallejo, CA

*Do you have a veterinarian that you just love? Ask them if they want to be on our list. It's great marketing for them AND it helps your fellow whippet fanciers find a trusted, sighthound-savvy practitioner!*

President's Report: Debby asked that we all wish Jean well, as she is ill.

Secretary's Report: Guin reported that our storage facility has new ownership & our monthly rate has increased. The rate is still \$20 less per month than the last facility.

### Committee Reports

Show: MJ reported that she will complete and submit our paperwork to the AKC next week. Guin will submit our membership list. MJ reported that the NCWFA will be supporting the entry with Woofstock in June & at the San Joaquin show in December (judge for June will be Stephanie Dycha & for December will be Stacey Davis). Discussion ensued about the feasibility of offering junior showmanship

with our Specialty in the Fall (in addition to the Del Valle regular juniors competition). MJ will check and see if our Specialty judge, Red Tatro, judges juniors.

Racing: Ed & Todd went on a fact-finding mission to Lowe's in order to research temporary fencing for the National/Fast CATs/Racing events. Guin and Ed measured the field and came up with an amount of feet needed to fence the field, all the way down on the path side and across the road side at the end. The fencing is \$30 per 100 feet, with the stakes costing about the same. Discussion ensued about devices that will assist with the storage of the fencing & stakes after use. Todd suggested looking into purchasing a "roller"

# On the Cover - Baillie & Her IBD Journey

## What is IBD?

IBD is a condition in which inflammatory cells invade the Gastrointestinal (GI) tract, which is made up of the stomach, the small intestines, and the large intestines. This infiltration of inflammatory cells often causes thickening of the G.I. tract and can interfere with the G.I. tracts normal functions and that includes absorption and movement of food. The causes of IBD are not well understood by the medical professionals, but it is thought that a trigger causes inflammatory cells to invade the intestines, which leads to chronic stimulation of inflammation in the G.I. tract.

In Baillie's case, I noticed something was off just before Christmas 2017. She had stumbled several times and seemed disoriented. Her gums were also very pale. I took her to my vet who ran a blood panel. Baillie's RBC was down. We were sent to a specialty clinic in Concord, California. Her stool was tested and showed signs of blood. An ultrasound was also performed, which showed some thickening of the stomach wall. She was prescribed Prednisone, 10 mg. Blood tests were performed weekly showing an increase loss of her RBC. One of her doctors suggested euthanasia. At that point, I took her immediately to UC Davis. Her diagnosis was extremely pale gums, elevated heart rate and pounding femoral pulses. Baillie had a murmur. These conditions are consistent with severe anemia.

Blood and urine samples were taken. They confirmed severe anemia with a hematocrit of 10%. Normal is 40 to 55%. Her anemia was regenerative meaning her bone marrow was making new red blood cells and had changes consistent with severe iron deficiency. Her urine was dilute which could have been from her drinking more water as a side effect of the Prednisone.

The assessment of her condition was that she had an ongoing intestinal bleed from her bowel disease. She was given an Alicam, which is a small capsule camera that is swallowed and takes pictures of her entire G.I. tract. The capsule passed in two days and the results were unremarkable.

Baillie's meds at this point were Prednisone, 10 mg, which was decreased to 5 mg as a common side effect includes Gastrointestinal ulceration. Sulcralfate, 1 g tab, 1/2 tab 3 times a day, diluted in water and given as a slurry. This medication coats the inside of the stomach to help protect it. Omeprazole, 20 mg capsule. One capsule by mouth 2 times per day, before meals. This medication is also called Prilosec and can be bought over-the-counter. Chlorambucil, 2.1 mg, a chemotherapy medication, one capsule per day with food. Cyclosporine, 50 mg, one per day with food.

Baillie was on most of these meds for 7 months. We did stop the Prednisone, Chlorambucil and Cyclosporine after about 3 mos. During this time, Baillie started showing signs of improvement. Her hematocrit began moving up.

In summary, it took nearly one year, with constant medical care, for Baillie to regain her health. Currently, she continues blood tests once every two months and her numbers are back to normal. We administer her B-12 injections once every three weeks.

Our sweet girl, Baillie, is back and we couldn't be happier!
