"WHIPPET WHISPERS"

BY THE ROVER REPORTER

*"All the news that's fit to print...
and then some!"*

We've got speedy hounds! At our November lure trials, the NCWFA kept up with (and surpassed) the fast crowd to earn points. Pretty Miss Jasmine (Patti Clinton) earned five more points, with a second and third, to bring her AKC coursing point total up to 8, all in three trials. That little red fireball Ellie (Brad Briscoe & Denise Stokowski) picked up her second five point major, as well as two more points and a third place, to put her within one point of her FC. Amazing veteran Lucia (Ed & Mary Jean Odrón) earned two more points, leaving her poised within two points of her DC. Running just off the points, and surely a foreshadowing of future wins, were Lucy (Donna Wilhoyte), Woot (Cheryl Boyer) and Skyy (Wendy Gay).

We've got smart hounds! Amazing Jasmine (Patti Clinton) earned her Rally Excellent title at the end of December, even though she had to deal with a marauding and obstreperous shepherd during her long sit. Poor girl, Rover's sure that was a tough one!

We've got smart and fast hounds! Young Bolt (bred and trained by Jean Balint) rose to the occasion at his first Oval Track event, tying for first in meet and earning four ORC points (and 3 National points). Wow! Rover always knew this handsome guy had it in him!

We've got pretty hounds! At the last shows of the year, fancy puppy Jilly (Ed & Mary Jean Odrón) picked up her first points. Handsome puppy guy TigGer (Katrina Bicknell) also was awarded his first point, and 'the Marlin', Tanner (Debby Knutson) was BOS to Chanel for three days— and then BOB on the last day of the year!

Rover mourns the passing of two of the good ones...

CLUB NEWS AND NOTES

NCWFA Membership Meeting, Oakland, 12/6/09

Members Present: Georgia Bihr, Jean Balint, Guin Borstel, Brad Briscoe, Tina Graham, Debby Knutson, Rick Knutson, Emily Kunkel, Russell Kunkel, Kellee Livingston, Mary Jean Odron, Ed Odron, Linda Vadura, Lenore Vogt, Donna Wilhoyte, Todd Wilhoyte.

The meeting was called to order at 3:15 PM. The minutes of the last two meetings were approved as published in SPEED, with the notation that 2nd VP, Mary Jean Odron was left off of the Officer's Slate.

Officer Reports

President's Report: Brad thanked all members for their great teamwork in 2009. He thanked Lenore for sharing her home once again for the Party and she received a round of applause.

Treasurer's Report: Linda reported that the balance was \$18008.88 as of 12/5, with several expenses outstanding.

Committee Reports

Coursing: Russell reported that the net profit of the November lure trials was approximately \$1800, with gross revenue being \$4300. Discussion ensued regarding supplies that may help with future trials, including a computer and printer, sturdier score posting area, and better potluck organization. These items will be discussed at future meetings. Discussion was raised by Debby as to the possibility of subsidizing accommodations for the workers coming from a great distance. This idea was tabled, however Guin will look into procuring a group rate at the host motel for 2010 to offset staff expenses.

Racing: Jean announced a date change for 2010 to the first weekend of June. She has figured out a way to host race practices at Solano without incurring increased insurance fees, so this option will be pursued in 2010. The members present approved a donation to RCRA race meet to be held with the 2010 National.

Rescue: Guin and Kellee reported on the recently placed dogs and thanked the Club

RESCUE ROUND-UP

OUR CURRENT RESCUE - JACKIE!

Jackie is a super-cute, smart and active yearling. He was an owner-surrender by his elderly caretaker, who could no longer keep up with this energetic puppy. Thanks to WRAP rep Linda Stewart, who visited several times with Jackie's owners in Atascadero, we were able to scoop him up when they did finally decide to let him go.

Jackie is currently being fostered by member Patti Clinton in Fresno. This happy, happy red brindle parti former farm dog is experiencing lots of new things with Patti: nail trims, baths, neutering, and learning not to bother the bitches. This petite guy, who measures just 19 inches at the shoulder and weighs in at 22 pounds, should be ready for his forever home very soon. He's looking for an active home, willing to continue his training, with other dogs, no cats, and fun people.

The NCWFA Rescue Team is also expecting at least two new rescue guys to come into the system in January, so any help with foster homes, home checks and transport will be appreciated. For some reason, early spring is always a busy time for Rescue!

THE RESCUE YEAR IN REVIEW 2009

January: The year began with me at the SF airport on the second, picking up our first rescue of 2009, Patch. Patch found his forever home with failed foster mother, NCWFA member Helen Hultman

Also in January, we assisted in the private placement of Jamie, a cat-crazy whippet guy from Davis who was one step away from eating his own house cat. Jamie now lives in San Jose, with the Hooks, who have no kitties, but lots of kids in and out (Karen is a music therapist for autistic children), and love this cute guy to pieces!

This issue of the Rescue Round-Up was written by Guin Borstel

February: February second found me and Kellee tooling up I-5 to Bill and Kathy's restaurant in order to rendezvous with Genny Holland, a former NCWFA member, who had rescued a very cute whippet cross from the Haven Human Society in Redding. Joplin the Whatsit has been rechristened Savannah by her new owners Robin and Kota, who love this special girl to death!!

A few days later in February, a sad older whippet girl was found as a stray in Sacramento, where she was listed as a mix by the shelter. Miso was one gorgeous, royally bred, whippet bitch, who had a bit of wanderlust, went over a six-foot fence and gave her foster mothers Dee and Melina gray hairs.

Luckily, she returned unharmed, after a series of adventures, and she is now safely ensconced in Sacramento, with her new family, the Mulcaires, and is never out in the yard unattended.

In February, we also returned Skye-Dancer, a very pretty four year old, to her breeder in Southern California, and helped our friends at GFFL place whippet Buddy.

April: It was on Easter Sunday when we met up with Casey, the whippet who had been lost for eighteen months and had been recently picked up by Greyhound Rescue from the Sacramento shelter. Casey's miracle return to his family is the stuff of TV movie, and I was happy I could be part of it!

Later in April, Winston, AKA Healdsburg Winston, came into rescue as a stray from the Wine Country. This handsome, gentlemanly dog is turning heads in Sausalito, where he shares a home full of love with Simone Becker and toy poodle pal Izzy.

Also in April, we lost out on getting a pretty, older whippet male from the Modesto shelter, when an all-breed rescue group got there a second before Denise Sheiffer did. All turned out OK though, since he ended up with NCWFA's good friend, and two-time whippet rescue owner, Carolyn Yee. Now Moxie is putting on weight and being the best whippet ambassador in SF.

May: Denise Sheiffer, who was kind of a Rescue MVP this year, drove several hours to Hanford to pick up an elderly,

lumpy, possibly blind, gentleman whippet. Mr. Willow was a dignified old guy, who found true love with Donna De Stefano, a forty-year whippetlover in Vallejo. Mr. Willow is holding on, even though he is estimated to be over sixteen, has a very bad back, and tips the scales at 22 pounds. All the TLC he's getting, and those home cooked meals, are keeping this amazing senior going!

homes. Mickey hit the jackpot and is living large in Redwood City, as the pet of long time whippet owner, and former NCWFA VP, Ron Bogdanoff. Mini-Molly also lucked out, winding up in Clearlake on a forty-acre horse ranch with long-time whippet fanciers Jean & John Gay.

That brings us up to today, where we wind up 2009 with the ultra adorable Jackie, featured on the other page.

August: Luca was a six-year-old male who was no longer getting along with his older male whippet. This super-smart, alpha male is in the perfect home now, with the Santiagos of Pacifica, who are willing to put in the work and training it is taking to make this guy a great family pet.

Wesley Whippet, counter surfer extraordinaire also came our way in August. Wes is enjoying his reducing plan, empty counters, and lots of love with his new owners, Shira and Mark, in Concord.

October: Mickey and Mini-Molly were three year old littermate from the shelter in Reno. They spent a few weeks with Kellee, learning to be housebroken (Kellee is truly a Rescue MVP!), and then were off to their new

I want to take this opportunity to thank everyone who helped out with rescue in any capacity this past year. Every single thing offered was appreciated, be it a foster home, a trip to a shelter (and Denise's drive to Hanford has to qualify as the trip of the year!), a home check, a donation, or just moral support, especially back in February when we had "the explosion"! Thank you all!

WOODY!

Woody's my Heart Dog. (We've all got one, or several - Woody's mine.)
 He & my son Jerry grew up together & have been best buddies since Day One.
 He kept me sane through my divorce.
 While the girls are sometimes naughty and always sneaky, Woody is my rock.
 He's a champion & group placer in 2 countries. As a 6-9 mo. youngster, he went Best Puppy in Show 3 days in a row.
 He's had multiple High in Trials (including an amazing run at the Denver National - missing HIT by just a point & a half, and going 2nd HIT with a score that amazed everyone - except of course, Woody himself) :)

It pains me to see his eyes clouding and to watch him slowing down, but I am grateful for every day I get to share with this wonderful boy. I feel very blessed for the 16 years I've been his person, and greedily hope for much more.
