# Whippet Whispers by the Rover Reporter

*"All the news that's fit to print...  
and then some!"*

Brando (Christie Beetz) continues on his march to maintaining his position as the Number One AKC Lure Coursing whippet. He has racked up several more BOBs in the last few months, including two at the recent BONC trials in Hollister, keeping his very comfortable lead in the rankings. Way to go, Speedy Brando!

Also burning up a coursing field near you is little Nigel (Jen Haas). Nigel received his second five-point-major in AKC coursing at the BONC trial. Only a few more points to go for this guy to be sporting a FC before his name!

Rover predicted that Arrow (Frank Herald) would soon be a FCh, and, of course, she was right! Arrow completed his ASFA title in late August and is well on the way to his AKC field championship also!

In ring news, the recent big shows surrounding our Specialty were very good for the NCWFA Show String. Pretty little Mona (Laurie Bradshaw) completed her title in a big way, winning WB at the Skyline show. Bookending the weekend, Dezi (Bobbi Keller) was BOW at the Monday Del Valle show, for a major towards her championship. Great going, NCWFA beauty queens!

Best in Veteran Sweeps at the Specialty was the always youthful China (Erin Campbell). Best of Opposite in Vet Sweeps was the venerable 13-year-old Simon (Donna O'Toole), who also topped the Veteran Sweeps at Del Valle. Best Veteran in Show at the Specialty was Bryce (Donna Wilhoyte). They are not getting older, they are getting better!

Getting Grand Champion Selects on this competitive weekend were Deacon (Erin Campbell), who got one at the Specialty. Desi (Ed & MJ Odrón) received two, and Minnie (Sandy Holley) received one. K-Man (Don McGuire) also got one. This just goes to show how the NCWFA whippets are always among the cream in the big entries!

Boy did the Show String triumph on Sunday at the NCWFA

Supported Entry at Del Valle. This show was a complete NCWFA Sweep, with BOB going to young Desi (Ed & MJ

Odrón). BOW & BOS was striking Twinkle (Wendy Gay) for her second major. She was also Best in Sweepstakes. WD was Nick (Brad Briscoe), also winning his second major. RWD was Twink's brother Cullen (Wendy Gay) and RWB was lovely Lily (Sandy Holley), who also gave a very interesting "Nosework" demo at the Annual meeting.

Vacationing in Idaho and getting two more Grand Champion Select majors was Hula (Tom & Lena Schroeder). She is now only one point away from her GCh, handled almost the whole way by Lena!

Crazy Redhead Baillie (Debby Knutson) recently won BOB over the Number 2 whippet! Debby is still on Cloud Nine!

Surely winning the title of "Most Versatile" NCWFA Whippets of 2011 are Sandy Holley's girls. Both Minnie and Lily have completed their Nosework titles AND finished rally titles this year. Minnie even showed to a Select and finished her RE title on the same weekend!

In obedience news, Katie (Patti Clinton) got the first leg of her Beginner Novice title recently. This is really amazing, since Katie is one of the three puppies we rescued last year from less than perfect conditions, and she was by far the shyest of the three.

Wendy Gay's three up-and-comers, Skip, Cullen, and Twinkle, recently received their IABCA show titles. Twinkle even won back-to-back Best Bred by Exhibitor in Show awards!

Rover hears a lot, but she can't be everywhere! To be sure your whippet's big news makes it to Whippet Whispers, send all news, gossip and brags to Rover at:

# Another Special Specialty

Photos by Heather Borstel & Andrea Meyer

This year it is very hard to single out the members who get kudos for the efforts they put into our Specialty. Of course. Brad for hauling that trailer, Guin for collecting the trophy monies, Donna and Todd for organizing a fantastic lunch for OVER 100 people, Dee for the auction table, Lenore for the planter boxes and flowers ...those come to mind. BUT... it was the total club effort that really put us over the top this year. From set-up to tear down, our members were responsible for one of the best Specialties we have ever hosted!!

My friends in the afghan club looked over at our crowd for lunch and could not believe it! They wanted to know how we manage to feed that many people. I told them...OUR MEMBERS step up and bring wonderful dishes and pitch in to help.

I am so very proud of all of you. Thank you so much.

Mary Jean

# The Rescue Round Up

## Current Rescue - Andy

Andy is a wonderful and handsome ten-year-old, neutered male whippet, who may possibly be the nicest rescue we have ever had! Andy was the companion of an elderly couple in Chico, who both sadly passed away recently. Their family was not interested in keeping Andy, so this is where NCWFA Rescue stepped in. Andy was a trained service dog for his owners, so he is incredibly well behaved, engaging and smart. Clay McGuire thinks he is by far the best rescue that she and Don have ever fostered.

Andy enjoys going on walks, where he doesn't ever pull, and snuggling on the couch. He does not really play with his canine roomies, but he doesn't dislike them either. He seems happiest hanging out with his people.

Andy has recently been vetted and has had a completely clean bill of health. Andy had an 'in' with a vet in his former life, so he comes with a lifetime supply of Frontline and Heartgard. This striking

mahogany brindle and white guy, who really appears to be only five or six years of age, instead of ten, will make someone a wonderful and devoted companion.

With Football Season here and prime couch snuggling season soon to arrive, we are hoping Andy can find the perfect couch upon which to reside for the rest of his days! If you would like to learn more about Andy, contact the NCWFA Rescue Team.

## Rescue Alumni - Barkley (AKA Scottie)

Barkley, who was formerly known as Scottie, is doing wonderfully in his new home in Oakland with Mike Kennan. Barkley has truly lucked out, having an owner who thinks he is practically perfect in every way, takes him to the beach regularly, and has even made him a custom coat to wear in inclement weather. Barkley also has a cat friend to pal around with (remember, this was the whippet who loved cats!).

Mike changed his name to Barkley from Scottie because "It's a good, proper English name and he has never barked. I heard him squeak when he was dreaming, but otherwise he has never made any noise."

## Rescue Alumni - Shilo

Remember sweet Shilo? The whippet who was persona non grata after scaring several rabbits on the farm where his owner was staying into early graves? Well, Shilo has moved up to the most wonderful rabbit-free life in Napa, with Caryl Norman, her husband Bob, and their extended family. Caryl has been a lifelong whippet fancier. When her dear whippet passed away from kidney failure, her two adult daughters sprung into action, searching for the perfect rescue whippet for their mom. Linda and Cynthia kept after us and it is a good thing they did, since Shilo has fit in perfectly at the family compound, going to work with Linda during the day and then back at home with Caryl at night. Caryl writes that "Shilo is a darling little guy. We are already sleeping in the same bed!"

# On the Cover ... SKYY

Maverick Moonshine for Tangens of GP, SC - known by his loved one's as Skyy, recently received his first major (3 points) at the Grass Valley show back in September, and is now one major away from his conformation

championship...oh yeah, and he is the best dog. I know we all feel that way about our pups, but he really is special. He is scary smart, he has the ability to pick things up so quick and whenever I set out to teach him something new he's got it in 10 minutes or less. His intelligence is second only to the amount of love that practically pours out of him. He LOVES his people and his whippets and has overcome a lot of issues which have allowed all of us to see just what he is capable of and how special he is. I never in a million

years thought that he would be the great "kid" dog that he is, because when I brought him home he was terrified of children. Thanks to my fantastically wonderful nephews and niece, he no longer has any fear of children, but instead loves them to the point of trying to clean them from head to toe (especially their faces...yuck!). The way he is with my baby niece is something to see. We love him to pieces and we are so blessed to have him in our family. Thank you Eva and Rachel for breeding him and thank you so much Wendy for letting him live with us ;)
