From the Editor...

Lots of info about our 12th Annual Specialty Show Celebration on these pages—check it out and come if you can! It should be a blast!

If you can swing it, please think of letting your Rescue Team know that you are willing to serve as a whippet foster home. The drawbacks are really few and the rewards are so, so many (trust me—I was terrified about fostering a rescue whippet, and it turned out to be one of the most wonderful experiences of my life).

Have fun with your whippets!

Whippet Whispers

by the Rover Reporter

"All the news that's fit to print...and then some!"

Rover is celebrating one awesomely versatile whippie this month...Peet (Brad Briscoe) earned three (count 'em, three) titles in September! He started off with a nice major to complete his show Championship at the beginning of the month (he is now the 5th CH in his litter—congrats to Frank & Sallie Richards and "Spice"!). He wasn't done yet, oh no, though...Peet then went on to complete his AKC NA title with a first placement at the Sir Francis Drake trial, and then completed his NAJ title later that day. Way to go super-dog!

Patch (Ed & MaryJean Odron) won the other dog major that was up for grabs at the beginning of September and picked up more points later that month. He is now just seeking that pesky second major for his title and he's only just 18 months old!

Big Mo babies!?! Well, hopefully! Rover isn't sure yet and Mo isn't telling, but if all systems are go there should be

the pitter patter of little puppy paws at Cheryl Boyer's in mid-November.

Brique (Cheryl Grubaugh) is on the move! He recently added to his point total by winning Best of Breed over two specials in Roseville. He wasn't done yet, as he then went on to win a Group Second placement in the Hound Group!! Red is Brique's color, Rover has to admit!

Brique's housemate, Beren (Cheryl Grubaugh) is also on the move, picking up more points to add to his total. Those boys sure do keep Cheryl busy!

Those "flying" black whippets are doing great in the field. Misty (Tina Graham) added six more AKC points to her total for nine so far, while her "sister" Cara (also Tina) picked up three points. "Thunder" (Lee Anne Bastian) was awarded two coursing points at the same event, all in very icky weather in Chino, CA. Way to go Flying clan!

That's all for now, but, stay tuned for more great news, triumphs and gossip on the NCWFA front in the next issue!

Rover hears a lot, but she can't be everywhere. If you've got news, contact Rover at 415-826-8853 or milescross@aol.com to scoop all the poop!

Do you have a veterinarian that you just love? Ask them if they want to be on our list. It's great marketing for them AND it helps your fellow whippet fanciers find a trusted, sighthound-savvy practitioner!

Katrina Bicknell were presented. These applications to be voted on at the next meeting.

Rescue: Donna reported that rescue whippet "Harris" was going to his hopefully forever home today! There are no other dogs in Rescue at this time, but there may be some coming into the system later in the Fall. Donna reiterated the need for all members who can help to step up and be registered as a Foster Home by the Rescue Team. We are severely short of Foster Home candidates, and it is only due to the generosity of several members and non-members who volunteer again and again, that we can accommodate whippets in need.

Show: Mary Jean reported that almost everything is ready for the October show. We are hoping for a large entry. Trophies are almost all completed and they look great! Judges hospitality and transport is all taken care of. Set-Up to be held at 1 PM on Friday. Please contact Ed Odron if you are interested in helping, as he will need to put your name on a list at the door so you can

get on the show grounds.

Delia Zarges reminded everyone to find their treasures for the Silent Auction table. Chery; Grubaugh is all ready with a plan for a great breakfast. The suggestion was made for a wine and cheese reception to be held after judging on Sunday, since we have not previously done anything on the day after the specialty show. Debby Knutson volunteered to chair this event, to be held next to the Odron's motorhome on Sunday after whippet judging.

Whippetbilla: Gloria reminded all that there are 2 dozen "it's a Whippet" tees available. She is working on some new designs for 2008 and we may explore some print on demand internet stores for our collection.

New Business: The next meeting to be held at the Specialty on 10/20 after completion of the event.

Meeting adjourned at 11:40 AM.

The Whippets of Kotan

Erin Campbell presents the Whippets of Kotan. "Kotan" means elegant simplicity in Japanese, and this collection of whippets certainly personifies this definition. The whippets are:

"Dreamer" is Kimera's White Horse Dreaming JC

"China" is Ch. Kimera's Orient Express SC

"Maya" is Kimera's Under The Mayan Sun JC

"Sprite" is Halmarque Rain Dancer

"Dax" is Best Qualities of Ruby Dominija

These guys, along with the kids at Mom's (Justin, Lana & Ava), and the new girl on the block "Karma" (Kimera's Karma de Kotan) make up our whippet family.

Rescue Round Up

Rescue Alumni Update

Handsome split-faced Harris found his forever home in September. After two months in foster care, first with Erin at her clinic on a reducing diet, then with Gail Reig, Harris went home with David Dixon and Paul Ortega of Pam Springs. David and Paul were persistent in their assertion that Harris would be the perfect dog for them—and they were right! They came all the way up to the Bay Area and met him at Gail's and it was love at first sight! Here's an excerpt from Paul's letter to the Rescue Team: *"We continue to spend a lot of time with him; he spends the day at home with David in his office or he comes to my office in town for part of the day. He has many favorite places to hang out now, including the couch, our bed and the comforter cover when it is piled on the bedroom floor at night (not to mention underneath the covers next to one of us). We had a dinner party this past Friday night and a guest commented that he looked right at home on our couch, both because he seemed comfortable as well as his coloring complemented the decor.... Thank you again for giving us the chance to adopt him. We are quite happy with him and I hope that he is with us; at least his excessive tail wagging and jumping up to give us kisses when we come back into the house, even if we've only been gone 1-2 minutes, would seem to indicate that he is."*

Hurray for Harris and his fabulous new home & thanks to all who made his journey from troubled dog to super pet possible!

Foster Homes Needed!

From time to time your Rescue Team puts out a call for Foster Homes who will be willing to take a

needy whippet into their household for a short time to evaluate and love until an appropriate home can be found. We know that you all are very busy and many of you have several (or more than several) whippets of your own, but we wanted to remind you that if we all do our share, the work will be spread out and no one member will have to shoulder an excessive burden in fostering whippets constantly. We are very lucky that we have three people who have done the lion's share of the fostering over the past year, but it is not fair for them to be called on again and again to do it all. This is the quickest way to "burn out" good volunteers—and we don't want that to happen!

While occasionally a whippet will be surrendered into the program that can go directly from their old home to the new one with no time in between, the vast majority of our whippets in need require a short foster period for evaluation in order for the Team to make an accurate determination of the best home fit for them. Some may be in need of a longer evaluation, but generally we know that this may be a possibility going in, so we will be using this information in choosing the appropriate foster home for this type of "special needs" hound. Fortunately, these difficult to place dogs are few and far between. The vast majority of rescue whippets are your typical, sweet whippet-y, whippets, who only need a short time in a hound savvy foster home to place them well on their way to a successful life as a beloved pet.

Your Rescue Team is asking each one of you to look deep into yourself and see if you can make the commitment to step up for the dogs and offer your home for fostering on a very occasional basis. Just to give you an idea of how often you may be called upon, over the last year (2006-07) we have had 8 dogs in the system, of which 6 needed some amount of foster care, ranging from one week to two months. As it was, three different homes managed the care of these five dogs. If we had just three more foster homes on file, we could give the

homes who had to foster two dogs or more a good rest in between fosters. Reasonably, with the addition of just a few more homes to the list, one should only expect to be called upon to foster once a year or even much less than that

We fully respect that every home is different, and we are happy to work with any restrictions in the type of dog you might wish to foster. Some of us only want seniors, some only bitches, etc. The Rescue Team has crates, X-pens, bedding and other materials to loan if needed, and remember, that we pay all expenses related to the foster dog while it is in your home.

If you would like to be put on the list of prospective foster homes, please contact the Rescue team at ncwfarescue@sbcglobal.net or give one of us a call!

Current Rescues

NCWFA Rescue does not have any dogs in the system at this time, however, our friends to the south at WRAP Rescue Central California have a tremendous 10 year old veteran gentleman fostering with Wendy Gay in Solvang. "China Dawn" is a super healthy senior with clean teeth, perfect house manners, and a lovely sweet temperament. He was left at the pound due to his owners serious mental health problems. If you are interested in "CD", contact Wendy at wendygay@verizon.net.

RESPONSIBLE OWNERS BREED INFO & AMBASSADOGS! Oh MY!

The NCWFA “Meet the Breed” Event at the Sir Francis Drake KC was a BIG SUCCESS!

The NCWFA's first ever “Meet the Breed” event—with Ambassador—was a big hit!

Katrina Bicknell & Hawkeye

Our intrepid volunteers staffed a table at the Sir Francis Drake KC in San Rafael from 9 AM until 2 PM. We chose Drake because it is a show that has a high amount of John-Q public spectators visiting, and the SFDKC was proactive about promoting their show in the general media. After a slow start in the AM hours, things picked up and we actually had a quite a nice turn out of interested possible dog owners by the lunch hour.

Our table was filled to overflowing with breed information, in the form of our fabulous full-color brochures on whippets and whippet rescue, the AWC's “Versatile

Whippet” books, a flyer outlining the reasons a whippet may not be for everyone (I know we love them, but they are not breed for all), and some great general info on dogs provided by the AKC. Thanks to Todd Wilhoite, we had the AWC Breed Standard playing on his DVD player. Kudos to the creative genius Dee Zarges, who made a fun “music video” of whippets coursing to the tune of “Whip It” by Devo. These two DVDs played in continuous loop throughout the day and were an eye catching multimedia addition to our table. Gloria Tzuang brought along our “It’s a Whippet” tees for added color and even sold a few!

The true attraction of the day and the thing that made our event really special were the Ambassador, who were all well-behaved member-owned whippets. From the petite brindle “Sophie” Honor, to the handsome

Sophie & Don Honor show off her tee

The Table!

show champion “Hawkeye” Bicknell, we had whippets of all shapes and sizes, each decked out in their special “Ambassador” tee shirt, on hand to meet and greet all comers. Each showed off their special skills and whippet strong points. “Cara” Graham showed off her obedience smarts, while “Lefty” Armstrong exhibited those personable traits that have made him a CGC. Each hound was a big hit and their presence (even of those whippet bitches who really felt it was too early to get up and mingle:)) was much appreciated!

Human NCWFA members, applicants and friends staffed the table in shifts and dispensed their first-hand knowledge and wisdom about the breed throughout the day. We actually had one potential whippet owner who started talking to our volunteers during the second shift at 10 AM and stayed through the end of the event, petting every Ambassador and getting a true earful about our breed from each volunteer over the course of the day. I hear that she will soon be the owner of a lovely adult whippet! - GB

Thank you to ALL our “Meet the Breed” volunteers!

Katrina Bicknell & Carol Kramer, Pamela Harris, Lynne Armstrong, Don Honor, MJ Honor, Gloria Tzuang, Tina Graham, Chirleen Michelini, Dina Micheletti, Tina Galzignato, Justine Kay, Debby Knutson, Cheryl Grubaugh, Delia Zarges, Donna Wilhoite, Todd Wilhoite, MJ Odron, Ed Odron— & all the “Ambassadors” - & to Cheryl Boyer for all her behind-the-scenes help!

Lunch Time Notes

Don't forget about the NCWFA Annual PotLuck Luncheon! We have an entry of almost 100, so make sure to plan for lots of people at the potluck! To make it easier for you to decide what to make, and to make sure we again avoid the horror that is 45 potato salads, here is the suggested dish breakdown:

Last name A-H	Appetizer or Salad
Last name I-P	Entrée or Entrée Salad
Last Name Q-Z	Dessert

Remember, if you are an expert in potato salad and your name begins with an R, by all means bring it to the table. :) These are just guidelines.

Your Specialty Committee needs **HELP** with the following jobs on the day of the show...

- 1) We need **Obedience Stewards!** At least two people are needed to act as 'stewards' for the obedience ring. You will need to hold leashes while dogs are heeling, act as 'posts', etc. This job should last less than one hour in the AM (approximately 8:30 AM) - then you are free to enjoy your day! Watch our obedient whippets up close and personal! If you are interested in assisting, please contact Cheryl Boyer, Obedience Chairperson, at ccboyer@gmail.com
- 2) The Auction Committee is seeking volunteers to man the combined auction/rescue/whippetbillia table for 1 hour shifts throughout the day. Help with bidding, check in new items, sell calendars and shirts, give out info, etc. The table is in view of the ring, so you can still watch the show easily. If you are interested, please contact Delia Zarges, Auction Chair, at dzarges@sbcglobal.net.

Don't Forget about Hospitality!

The NCWFA will be sponsoring several hospitable dining options for our members, friends and exhibitors over the course of the Specialty weekend.

Our weekend begins with coffee and breakfast on Saturday AM provided by the NCWFA. Come join us by the ring for coffee, juice, and pastries!

Don't forget our world-famous Potluck at the lunch break on Saturday!

On Sunday, after the completion of breed judging be sure to stay and join the Club for a casual Wine and Cheese reception, held next to the Odron's motorhome. Come and enjoy a selection of wines and beverages and cheese and crackers, offered by the NCWFA. This way the whippet in the Hound Group is sure to be provided with an enthusiastic (rowdy?) rooting section!?!

Come join us—and—bon appetito!
