Cindy (Charlotte & Martha Fielder) won BOB at the Saturday Woodland show. She also won Best BBE in Group at Woodland and also at Vallejo in April. Cindy started her show career in early March by winning Best in Match at the big SV DFA Match!

BIG, BIG News from the BIG, BIG spring shows in Arizona and Southern California was that precocious pup Watson (Libby deMille) won WD, or better for Three BIG majors In AZ, (including two Specialty wins) and then finished with his fourth

Major at the SCWA Specialty in LA in April! Wowee Watson!

Watson's baby kennelmate Kenzie won her own major in AZ in March, obviously making Libby's ride home the fastest and happiest on record!

Going Best of Breed over several specials at Vallejo in April was the beautiful Tempe (Andrea Meyer)! Tempe's kennel mate Mason won BOW at Vallejo in May for two more points!

Starr (Lynne Armstrong) fully recovered from her toe injury, and raring to go, won several more points and had a Top Five finish at the RCRA NOTRA Race in March. Starr is almost an ORC!

Missy (Jan Waldrop) won an ASFA BIF at her first lure trial in March!

We all know that Jean Balint is a super mentor and great sportswoman and now that whole world knows. At the AWC Specialty Awards Banquet, Jean was presented with the AKC Sportsmanship Award! Jean was absolutely speechless when her name was announced—and you all know that is hard to do!

Minutes of the last meeting (2/13) were approved as published in Speed.

Officer Reports:

President's Report: No report.

Secretary's Report: No report.

Treasurer's Report: Kellee reported that the bank balance was around 13 thousand dollars.

Committee Reports:

Coursing: Russell reported on our upcoming AKC coursing events, which are set for June 22 & June 23rd. Judges will be Justin Dannebring and the Crumes. Events to be held at CA Jacobs school in Dixon.

Racing: Kellee reported that our upcoming CWA Race Meets are scheduled for June 1 and 2nd. She also reminded all that our Box Christening and Practice will be held in two weeks, in Fairfield on April 6th (10-2).

Rescue: Guin reported that rescue Cali is currently being fostered with Kellee, after being fostered for three weeks with Kin and Rick. Cali will be going to her new home hopefully shortly. Nick and Nora are in their new home and are doing well.

Show: Mary Jean reported that the Del Valle crew has already notified us of the whippet judges for the circuit. Lou Guererro/ Friday; Iva Kimmelman/Saturday (Specialty); Sunday/ Ray Yurick. Next year there will be big changes in how we choose judges for sure, since we are now a concurrent specialty held with the Del Valle show, but for now we are in a holding pattern awaiting the new parameters for picking of our judge.

SPEED/Website: Guin reminded all to submit their cute whippet pictures for both the newsletter and the website.

Whippetbilia: Marianne and Emily report further orders from the website.

Membership: Guin presented applicants Susan Baiata & Dave Cunha attending their second meeting.

Old business: Logo items: Ed reported that we were able to negotiate a good price due to the volume of orders. Hopefully will have them by the practice in two weeks.

New business: Brad proposed that event chairs not be able to schedule events except at a general membership meeting. Discussion ensued about this proposal. Guin brought up that the race practice was scheduled after close viewing of the event calendar for Northern California and in conjunction with a notice of the proposed time set for the event via the member's e-list. The e-list has over 60 members, so many more people saw the proposed date than would ever come to any one meeting, and no one complained about the scheduling. This proposal was tabled. Brad discussed the need for immediate trailer storage. Discussion ensued regarding pros and cons or different locales for storage. Brad was empowered to explore options in the East Bay for storage and was empowered to rent a spot. Discussion ensued regarding the weight of the trailer and possible issues with fitting everything in it once we have the new boxes completed, since they are larger than the old ones. It was resolved to clean out the trailer and dispose of broken items at the Race Practice on April 6th. The next meeting of the NCWFA was scheduled for May 19th (Sun.) at the Coyote Hills show in Vallejo. People were asked to note a 10 AM ring time in their entries, so we will not have to have a late meeting. Brags ensued.

The meeting was adjourned at 12:35PM.

General Membership Meeting, 5/19/2013

Vallejo, CA.

Guests Present: Alisa McCauley, Lorrie Thomas, and Angie Hagen.

Meeting was called to order at noon. The minutes of the last meeting were not approved, as they have not yet been published.

Officers Reports:

President's Report: Brad reported on the Board Meeting that was held at the National in Oregon. Lots of pending issues were resolved at the meeting. Brad reported on the Lure trials in June and whether a Single stake should be offered. Discussion ensued. It was resolved to hold the Single stake on one day only (Saturday) to gauge interest and to have less work on Sunday.

Secretary's Report: No report.

Treasurer's report: Guin reported that she went to the bank that morning and there was a Fifteen thousand dollar balance.

Committee Reports:

Rescue: Guin reported that Skoda, who was a lovely 18-month-old male, fostered by Don & Clay McGuire, has been in his new home for one month in the East Bay. Guin thanked Don and Clay for all their help with Skoda. Cali is in her new home in SF with Helen Hultman and is doing fabulous. So far in 2013, the NCWFA has rescued five whippets, and has helped to place two others.

Show: Mary Jean reported that she needs to hear from all previous committee heads by the end of the week, if the heads wish to repeat this year. Guin will be soliciting for trophy donations starting next month.

SPEED: Guin reported that SPEED will be BIG and will be completed before the end of May.

Whippetbilia: Marianne reported that at the National, she sold over \$500 of Whippetbilia. Brad thanked Erin for the use of her Houndtogs booth for the week. Marianne reported that the white "Run Whippet Run" tee is very slow moving. Maybe we could use it as a prize for events? It was resolved for the Coursing and Racing chairs to buy the tees at cost to use as future prizes. Discussion ensued regarding new designs, styles, etc. Discussion to continue at a future meeting. Ed discussed the success of the NCWFA Logo Item members-only sale. We sold over eleven-hundred dollars worth of logo items and all items are now paid for and picked up. We may do it again in the Fall.

Lure Coursing: Russell arrived and called for a vote on the Single Stake for our June events. It was resolved to hold the Single stake Saturday only. Passed.

Membership: New applicants attending their first meeting were introduced. The Associate Memberships of Susan Baiata and Dave Cunha were presented and they were voted in by the membership present.

Old Business: Brad reported on the new storage for the ClubTrailer, which is in Martinez. This facility was where the trailer was purchased from and originally stored years ago. He got a very competitive rental rate.

New Business: The next meeting of the NCWFA will be held on Sunday, June 9th at Woofstock in Vallejo. Discussion ensued regarding the new dates and Long Beach location of the Western Specialty. General dissatisfaction

CLUB NEWS AND NOTES PAGES

with this location was expressed. Many BIG brags ensued.

THE RESCUE ROUND UP

Spring has sprung with happy NCWFA whippet rescue tales!

RESCUE ALUMNI #1 - CALI

**Cali at home
in SF at Chez
Hultman**

Remember Cali? The beautiful young whippet girl who was found on Valentine's Day with a coat on in a yard in rural Linden? Cali spent three very trouble-free weeks fostering with Kim and Rick in Fairfield. Then all of a sudden, she decided to jump their backyard fence, not once, not twice, but three times in one day. This smart girl was scaling the gate to get out, for reasons known only to her. She never went anywhere after her jail breaks, but just wandered around the block looking for her people. After this scare, Cali went to Kellee's to be on "lockdown" until a home versed in keeping the escape artist whippet safe could be found.

After a false start or two towards a forever home, Cali is happily settled in San Francisco, with Helen Hultman, and whippet brother "Patch". Helen had just lost the whippet love of her life, "Pie", and she and Patch were very down in the dumps. Helen once had an escape artist whippet, "Sandy", whom she kept safe for her whole life, and she was up to the possible challenges of life with quirky Cali. It was love at first sight for this trio and Cali is doing wonderfully! She has not even looked at Helen's (very secure and very tall) fence, and it is as if she and Patch have known each other forever.

Everyone who meets Cali comments on how calm and beautiful she is, and she is already a neighborhood star out in the Sunset district of SF.

RESCUE ALUMNI #2 - SKODA

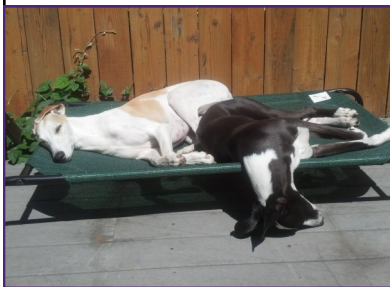

Skoda is an eighteen-month-old shiny black and white male, who came into rescue after his young family, who bought him from an internet seller, were overwhelmed by the demands of three small children and one very active whippet boy. Don McGuire picked up Skoda and he joined the DSM whippet gang as a foster. Skoda proved to be an active young whippet, full of energy, which he burned off with daily runs with Don and Clay's whippets in

the forest near their home in Carmel. After a few weeks with the McGuire's Skoda started looking for his forever home. This boy needed an active home, whippet savvy, and maybe one with kids, since he was great with the little ones. When we put Skoda up on the NCWFA Rescue website the response was amazing—everyone was charmed by Don's fabulous photos of Skoda and there were more than five great home choices from amongst our applicants to choose from.

Handsome Skoda afield in Carmel

Skoda is now living with Camille King, her partner Rae Lovko, their eleven-year-old son, and very large whippet brother Tony.

The whole gang is living the life of Riley (or is it Skoda?) In El Cerrito. Many, many thanks to Don and Clay for taking Skoda into their home and doing a fabulous job fostering him!

RESCUE ALUMNI #3 - SIERRA-SEVEN

Little Sierra-Seven is one of our "under the radar" rescues. Back in March, there was what appeared to be a very young whippet puppy bitch at the Fairfield shelter. Jean Balint went to check and reported back to say that the puppy was obviously purebred, and probably around three-months of age. Even more amazing, the little girl had been found running in a field in Dixon, with no collar on, and no one had inquired about her in her four days at the shelter. We immediately made arrangements for the poor little girl to be released to our Rescue. Meanwhile, Guin had been in discussion with a very nice family in Vacaville, who were looking for a whippet puppy and had been unable to find one locally. Guin called Alicia, the Mom of the family, and asked her if they might be interested in a rescue pup. Of course they were and the match was made, immediately upon the pup's release from the shelter. Little Seven has charmed all the Riley's and they are already planning on their next whippet! Thanks to Jean Balint for all her help with this rescue and placement.

Until next issue...

NCWFA NEW RACE BOX CHRISTENING/FUN DAY

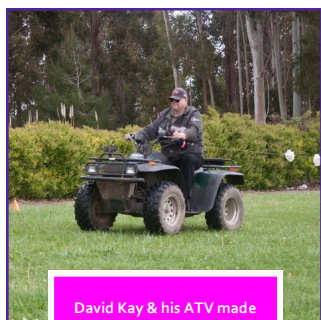

The Ribbon-Cutting Ceremony!

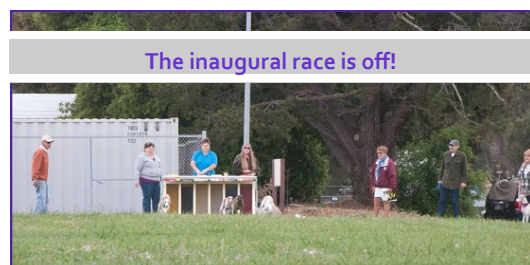

L to R: Kellee Livingston, Rick Ragan, Rick Knutson, Debby Knutson, MJ Odrón, Burt Greenspan, Ed Odrón, Marianne Lu, Jean Balint, Guin Borstel, Robert Lattuga & Brad Briscoe.

On Saturday, April 6th, 2013, the NCWFA celebrated a very special occasion. The inaugural usage of our spectacular new race boxes was accompanied by a ceremonial ribbon-cutting, lots of practice races, a gourmet lunch, and fun. In weather that ranged from rain showers to blazing sun, the Club had lots of fun and trained lots of dogs and people on how to race. And—the boxes worked great!

David Kay & his ATV made restringing a breeze!

The inaugural race is off!

BOX-ERIFIC!!!

THE STORY OF THE NEW NCWFA BOXES.

By Kellee Livingston

NCWFA has had our old starting boxes for 30 years and it was definitely time for a new set. We raised money for the boxes by having a garage sale in April of 2011. The goal of the garage sale was to raise money from people, other than club members. Club members donated their unwanted stuff and their time. In the end, we raised over 1700 dollars towards our new boxes while getting rid of a lot of unwanted stuff.

Once we had the money for the new boxes, we needed somebody to build them. What to do? Robert Lattuga, one of our club members, said he could build the boxes. Robert, being a thoughtful person, wanted to improve on the boxes he had seen at our race meets. At past race meets, Robert had the honor of keeping his foot on the bottom of one of the box doors in order to prevent the dogs from busting out of the boxes from the back. His goal was to improve the overall strength of the boxes, the individual door structure and the rigidity of the boxes.

Because our old boxes were really too small for today's whippet, not to mention for any of the bigger breeds, we took the measurements from the Silken Windhound boxes that the Silken Club had been allowing us to use for our last few meets. Robert went to work on the plans and ordered the wood. Then, Robert and Marianne began the framing and building of the side panels used to separate each individual box. During this process Guin and I received a text message asking if we know the formula for a trapezoid. WHAT!! Thankfully Robert & Marianne figured this type of thing out on their own. The next weekend I had the honor of helping Robert actually assemble the boxes while Marianne was off at a dog show.

When I arrived at R&M's, the frame of the boxes was in the garage and the panels ready to install. Robert had already attached the end panel and from there we worked our way to the other end. While helping Robert, I found out that he not only is an expert woodworker but also a wine-maker and lawyer working as general counsel for Leapfrog, the learning company. As we installed each panel, I could see our new boxes coming together. By the time we were two-thirds the way through, Marianne arrived home with food for us. We sat around and talked about what a great club the NCWFA is and how exciting it will be to have new boxes so that we can have race practice and race meets, without having to borrow other clubs boxes.

After a full day's work for me, and two weeks for Robert, the boxes were put together. It was now time for Marianne to get painting. She chose a nice buttercup color for the boxes themselves and primary colors corresponding to the blanket colors for the doors. I had suspected that Marianne might be a perfectionist and indeed she is. Two weekends later, the boxes had been painted to perfection. I picked up the boxes and off we went to the welder.

John from John Romanoff Welding took on the front door project. Needless to say, he had never built a door for race boxes, but he was up to the challenge. Brad and I dropped off our old boxes along with my personal practice boxes and John got busy replicating and improving upon what we had. Since John's shop was just around the corner from my house, I could check on the progress every couple of days. John had fun with the project. One of the challenges we had with the door was to find the right springs so that the door would open up fast enough that the dogs wouldn't run into it, but not so fast

that the door would pull the boxes off the ground. Luckily for me, I found a company called Lee's Springs and got in contact with a salesman that could explain to me, in detail, how springs worked and what I needed.

We had our box christening April 5th, followed by a very fun race practice and lunch. I want to thank Robert and Marianne for taking on the race box project and building the most beautiful race boxes in the US. Within the next few months, we'll try and get the plans for the boxes and the door up on the NCWFA website, for those people who are interested in the details.

NCWFA @

The NCWFA gang's presence at the recent AWC National Specialty in Oregon was felt mightily. We may not have fielded all that many entries, but percentage-wise, the Club did very, very well! Among the best of the best in the breed, the NCWFA represented BOB, Select Bitch, breeder of BOW, several AOMs and class winners, and quite a number of class placers. In performance events, our members took home several class firsts in Obedience & Rally and a competitive placement at the lure trial. Even in the Art show, the NCWFA made a splash, with Erin Campbell winning Best Other Media/3D Item in show with her mosaic "Dharma". :)

Thanks to so many of our members for sending on their official win photos, and also some great candid shots taken by Les Korkkola of dogactionfotos.com, among other talented photogs!
